50-Year EcoStar Limited Material Warranty

Subject to the terms, conditions, and limitations stated below, **EcoStar, ("EcoStar")** warrants that **EcoStar's Products** ("Products") are free from manufacturing defects at the time of sale to the owner. **EcoStar** further warrants that the Products will not deteriorate from weathering to the point of failure for a period of **Fifty (50) years** from the date of receipt of the attached application. This Limited Material Warranty does not apply to materials not sold by **EcoStar** nor does it cover any labor costs or other elements of a construction project, unless specifically stated to the contrary herein.

The useful life of a given Product may be affected by many factors including: the weather conditions to which it is exposed; the quality of its installation; the type and quality of the construction, including the roof decking and ventilation; and other factors over which **EcoStar** has no control. This Limited Material Warranty describes the remedy in the event that the Products are found to have defects in material or manufacturing workmanship which affect performance before the expiration of the stated warranty period. Any limited warranty does not assure that the covered products will in reality last the entire length of the stated warranty period.

TERMS, CONDITIONS, LIMITATIONS

- To request performance of any EcoStar obligation under this Limited Material Warranty, the building owner must, within thirty (30) days of the discovery of a defect, send a written notification of the alleged defect with a copy of this warranty and proof of purchase of the Products to **EcoStar Technical and Warranty Services, P.O. Box 7000, Carlisle, PA 17013.**
- EcoStar** shall, within a reasonable amount of time from receipt of the claim, copy of this warranty and proof of purchase, review the letter and may ask for samples of the Products and photographs showing the extent of the problem. The Owner is responsible for providing these, and any other materials reasonably requested, at the Owner's expense. The Owner is required to allow reasonable time for investigation by an **EcoStar** employee and laboratory testing of the suspect Products. Any claim for tiles which have been replaced prior to **EcoStar's** receipt of written notice and on-site inspection shall be denied. If the investigation reveals manufacturing defects covered by this Limited Material Warranty, **EcoStar** will provide, within a reasonable period of time, a remedy in accordance with the conditions of this Limited Material Warranty.
- This Limited Material Warranty is the sole and exclusive remedy provided to the Building Owner with regard to the failure of the Products. If any Product contains defects in material or manufacturing workmanship which affect performance, **EcoStar** shall either supply new product **only** OR pay the reasonable cost for replacement Products, **only**, of a similar design, prorated as set forth in paragraph 4. The decision on which remedy is used shall be at the sole discretion of **EcoStar.**
- After the first year of this warranty, the replacement cost which **EcoStar** will pay will be reduced by the amount of usage the Building Owner has received from the Products. **EcoStar** will therefore pay a **percentage** of the reasonable replacement cost, described above, which will be calculated by **dividing the number of months remaining in the warranty period by the number of months in the original warranty period.** In the event the Products covering the entire roof are found to be defective, **EcoStar** shall provide replacement products and pay the reasonable application labor to replace the Products. Any payment made by **EcoStar** shall be reduced by prorating, as specified above, for each month of the Building Owner's use of the Products. The application costs covered by this Limited Material Warranty do not include costs for tear-off, landfill fees, flashing, metal work, underlayment, and related work or materials.

- This Limited Material Warranty shall not be applicable if, upon inspection, **EcoStar** determines that any of the following has occurred:
 - The Products are damaged by natural disasters, including, but not limited to, lightning, fire, hail, earthquake, tornado and hurricanes; or
 - The Products are damaged by acts of negligence, accidents or misuse, including, but not limited to, vandalism, civil disobedience, or acts of war; or
 - Products or product not furnished by **EcoStar** are used and fail or cause failure in **EcoStar** Products; or
 - Deterioration or failure of building components, including, but not limited to, the roof deck, metal roof components, walls, mortar, machinery, HVAC units, or other such items, occurs and causes damage; or
 - Deterioration or failure of the Products due to causes not related solely to the Products, including, but not limited to, defects or harmful substances in underlying materials; or
 - Usage or spillage of material or substance not compatible with the Products, including, but not limited to, petroleum-based products, oils, acids, animal fats, harmful chemicals, and the like, which come in contact with the Products and cause deterioration.
- This Warranty shall be null and void if either of the following occurs:
 - Failure of the Owner to use reasonable care in maintaining the **EcoStar** Products; or
 - Owner fails to comply with all the terms or conditions stated herein.
- EcoStar** shall have no obligation under this Warranty unless all the bills and charges for the Products have been paid in full.
- EcoStar's** failure at any time to enforce any of the terms or conditions stated herein shall not be construed to be a waiver of such terms or conditions.
- This Warranty supersedes and is in lieu of any and all other warranties and representations, whether oral or in writing. No representative of **EcoStar** has authority to make any representations or promises except as stated herein.
- Notwithstanding anything to the contrary herein, to the extent that any provision of this Limited Material Warranty is deemed invalid under any applicable law, then with regard to such instances, such provision(s) shall be of no effect, or, if practicable, shall be deemed modified to the extent necessary to comply with such law, and the remaining portions of this Limited Material Warranty shall not be affected but shall continue in full force and effect.
- This warranty is NOT assignable, by operation of law or otherwise.

THE REMEDIES STATED HEREIN ARE THE SOLE AND EXCLUSIVE REMEDIES FOR FAILURE OF THE TILES. THERE ARE NO WARRANTIES EITHER EXPRESSED OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY, WHICH EXTEND BEYOND THE FACE HEREOF. ECOSTAR SHALL NOT BE LIABLE FOR ANY DIRECT, INCIDENTAL, CONSEQUENTIAL OR OTHER DAMAGES INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS OR DAMAGE TO THE BUILDING OR ITS CONTENTS UNDER ANY THEORY OF LAW WHATSOEVER.
